

Accessories

Product Description

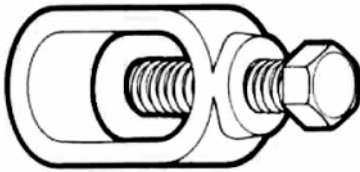

Products to compliment our ground rods.

Application

Clamps are used for attaching ground wire to rod. Threaded Couplings are used to combine two or more sectional ground rods. Drive Studs are used in conjunction with threaded couplings while driving sectional ground rods.

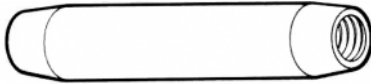

Product Data

Ground Rod Clamps

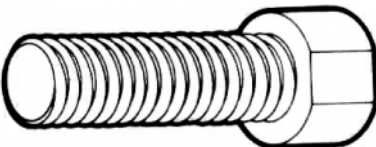

Description	Weight (lbs.) per 100 Pcs.	Nehring Part No.
1/2" Clamp	12	94500000
5/8" Clamp	13	94505000
3/4" Clamp	15	94510000

Ground Rod Threaded Couplings

Description	Weight (lbs.) per 100 Pcs.	Nehring Part No.
1/2" Coupling	16	94400000
5/8" Coupling	25	94405000
3/4" Coupling	38	94410000
1" Coupling	40	94415000

Ground Rod Drive Studs

Description	Weight (lbs.) per 100 Pcs.	Nehring Part No.
1/2" Drive Stud	12	94600000
5/8" Drive Stud	23	94605000
3/4" Drive Stud	35	94610000
